ANALYST STUDIES

97% ROI.
$5.9 million in savings.

Forrester Consulting conducted a Total Economic Impact study to determine the business impact enterprises may realize by deploying Red Hat CloudForms.

20x more service requests fulfilled.
92% less staff time per request.

IDC interviewed organizations using Red Hat CloudForms and found that it has given them the ability to deliver services with agility and speed across their IT environments while helping manage these environments more efficiently.

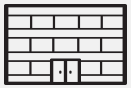
Red Hat Training Modalities

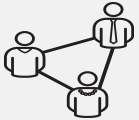


CUSTOMER ON-SITE TRAINING

Private, on-site training and exams delivered at your location, at one of our training centers, or online.

OPEN ENROLLMENT TRAINING

Train and test in a professional classroom environment led by Red Hat certified instructors.



VIRTUAL TRAINING (LIVE)

Live, instructor-led online training with the same high-quality, hands-on labs you'd find in our classrooms.

ONLINE LEARNING

90 days of access to course content and up to 80 hours of hands-on labs—all available online, at your pace, and on your schedule.

RED HAT LEARNING SUBSCRIPTION

One year of access to all of our online learning content (more than 42 courses), high-definition (HD) video courses on select titles, and up to 400 hours of lab time, all from a single service at a low price.

VIDEO CLASSROOM (PRE-RECORDED)

Interactive "in-classroom" access to Red Hat's most popular courses, presented by experienced instructors, and recorded in high definition (HD) video.

INDIVIDUAL EXAMS (VIRTUAL)

Schedule to take an exam at select locations and pick the date and time that work best for you.
