Velocity migrates SAP workloads to the cloud with Red Hat

Velocity

Technology

Software

Red Hat® Enterprise Linux® for SAP Solutions

Partner resources

Red Hat Certified Cloud and Service Provider (CCSP) Program

Velocity Technology Solutions (Velocity) helps organizations migrate mission-critical workloads to the cloud, then manages them long-term.

Challenge

- Needs a robust, reliable technology platform for mission-critical SAP applications
- Requires an enterprise-grade Linux operating system guaranteeing high availability

Solution

- Standardized on Red Hat Enterprise Linux for SAP Solutions
- Joined the Red Hat Certified Cloud and Service Provider (CCSP) Program
- Used Amazon Web Services as an AWS Premier SAP Competency Partner

Benefits

- Provided a repeatable, easy-to-deploy Linux foundation for SAP workloads
- Improved SAP application performance upwards of 20%
- Delivered 30% TCO improvement in combination with SAP and AWS

"Red Hat and Velocity have many ways of complementing one another. This partnership shows how we can better serve our customers, particularly with Red Hat Enterprise Linux for SAP Solutions."

Steve Thompson
Senior Alliances Manager, Velocity Technology Solutions
