# HYBRID CLOUD INFRASTRUCTURE

Here are some sessions, events, and areas we'd recommend for attendees interested in hybrid cloud infrastructure. Just look for the trail map sign at each location and "check in" by tapping your badge to the correct icon.

**TUESDAY, MAY 8**

10:30 - 11:15 a.m.	● Distributed API management in a hybrid cloud environment	MOSCONE WEST 2003
10:30 - 11:15 a.m.	● Red Hat security roadmap for hybrid cloud	MOSCONE WEST 2004
3:30 - 4:15 p.m.	● Build an open hybrid cloud and paint it red and blue	MOSCONE WEST 2009
3:30 - 4:15 p.m.	● Istio: Solving challenges of hybrid cloud	MOSCONE SOUTH 208
3:30 - 4:15 p.m.	● OpenStack use cases: How businesses succeed with OpenStack	MOSCONE WEST 2007
4:30 - 5:15 p.m.	● Automating security and compliance for hybrid environments	MOSCONE WEST 2016

**WEDNESDAY, MAY 9**

10:30 - 11:15 a.m.	● Managing costs in hybrid solutions for the public cloud	MOSCONE WEST 2022
10:30 a.m. - 12:30 p.m.	⦿ Red Hat OpenShift Container Platform on AWS Workshop	MOSCONE SOUTH 214
3:30 - 5:30 p.m.	⦿ Delivering Red Hat OpenShift at ease on Red Hat OpenStack and Red Hat Virtualization	MOSCONE SOUTH 206
4:30 - 5:15 p.m.	● Building open infrastructure with advanced computing technologies	MOSCONE WEST 2009

**THURSDAY, MAY 10**

11:15 a.m. - 12 p.m.	● Medical image processing with OpenShift and OpenStack	MOSCONE WEST 2006
3 - 3:45 p.m.	● OpenShift in a multi-datacenter environment at La Poste	MOSCONE WEST 2003
