#DEFINE OPENNESS

- Accommodating attitude or opinion, as in receptivity to new ideas, behaviors, cultures, peoples, environments, experiences, etc.
- Lack of secrecy; candour, transparency.
- Degree of accessibility to view, use, and modify computer code in a shared environment.
- Source: https://en.wiktionary.org/wiki/openness

TASO.fi

1. BE AWARE OF DIFFERENCES
2. OPENNESS IS A TWO WAY STREET
3. SO, BE OPEN!

"Openness enables connectivity for cultural diversity"
