“Educational organizations that survive will be those most focused on . . . how they can best **harness the power of openness to change the ways they create, interact, and sustain themselves.**”

Jim Whitehurst, “Open Education Is More Than Open Content”

**Mission:** Harness the power of open source principles and methodologies to design, share, and scale contexts for empowered 21st century learning.

**Vision:** Transform education for a more equitable, empathetic, and collaborative world.
