

## PRODUCT APPENDIX 2A TRAINING AND TRAINING UNITS

This Product Appendix contains terms that describe the parameters and govern your use of Training and Training Units. Red Hat may modify or update this Product Appendix either by posting a revised version of this Product Appendix at <http://www.redhat.com/agreements>, and/or by providing notice using other reasonable means. If you do not agree to the updated terms then, (a) the existing Product Appendix will continue to apply to the Red Hat Products you have purchased as of the date of the update for the remainder of any then-current term(s); and (b) the updated or modified terms will apply to any new purchases or renewals of Red Hat Products made after the effective date of the updated terms. When we use a capitalized term in this Appendix without defining it, the term has the meaning defined in the base agreement.

- 1.3 **Rights to Training Materials.** All intellectual property embodied in the training products, materials, methodologies, software and processes, provided in connection with the Training or developed during the performance of the Training (collectively, the "Training Materials") are the sole property of Red Hat or a Red Hat Affiliate and are copyrighted by Red Hat unless otherwise indicated. Training Materials are provided solely for the use of the participants and may not be copied or transferred without the prior written consent of Red Hat. Training Materials are Red Hat's confidential and proprietary information.
- 1.4 **Delivery Date and Cancellation.** You agree to the cancellation policies and the procedures for scheduling of Training and On-Site Courses in the Training Policies. ### 2.0 Red Hat Learning Subscriptions and Red Hat Online Learning Subscriptions

- 2.1 **Access to Red Hat Materials and Support.** In order to begin accessing the materials, videos and services made available through a Red Hat Learning Subscription, the Named Participant for such subscription must first register with Red Hat with a unique Red Hat Login ID. You agree to provide to Red Hat the Red Hat Login ID for each Named Participant. All access and resources provided with a Red Hat Learning Subscription and a Red Hat Online Learning Subscription may only be consumed during the Subscription term.

Named Participants may only access the materials or support in connection with their Red Hat Learning Subscription in the same country as identified in the "Ship-to Address" in the relevant Order Form.
- 2.3 **Red Hat Instructors.** If the Red Hat Learning Subscription includes access to Red Hat instructors, Named Participant may contact Red Hat instructors to ask questions about a particular course or video made available as part of the Red Hat Learning Subscription. Red Hat instructors will use commercially reasonable efforts to answer questions regarding (a) technical issues with the course or video and (b) questions about the content of such materials. Red Hat instructors will not provide production support or development support for any Red Hat Subscriptions.
- 2.4 **Certification Exams.** If the Red Hat Learning Subscription includes Certification Exams, Named Participant may be permitted to complete Certification Exams via a Classroom Exam or an Individual Exam session, provided Named Participants in North America may only take exams included in the Red Hat Learning Subscription via an Individual Exam session. Red Hat reserves the right to modify learning paths and/or certification criteria for Certification Exams. The standard exam terms and conditions, provided in the Training Policy, apply to any exams provided through a Red Hat Learning Subscription. While Red Hat provides exams at many locations, Red Hat does not warrant that any particular exam will be available in a city near the Named Participant.
