THE RED HAT ENTERPRISE AGREEMENT
U.S. FEDERAL GOVERNMENT

This Agreement (as further described in Section 1.2 below) for US Government agencies, including its Appendix 1 and/or any other Appendices referenced in the Order, ("Agreement") is between the U.S. Government agency placing the Business Partner order for Red Hat Products and Red Hat, Inc. ("Red Hat"). This Agreement addresses unique commercial considerations that apply to Red Hat Products, open source software, and Red Hat's subscription business model taking into consideration the requirements of FAR Part 12, including the tailoring of provisions and clauses for the acquisition of commercial items in accordance with FAR 12.302. This Agreement shall be incorporated as part of a Business Partner order. Red Hat agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. 3701, et seq., Contract Work Hours and Safety Standards Act; 41 U.S.C. 51-58 Anti-Kickback Act of 1986; 41 U.S.C. 265 and 10 U.S.C. 2409 relating to whistleblower protection; and 41 U.S.C. 423 relating to procurement integrity.

1. The Mechanics of the Agreement

1.1 Ordering. The Agreement applies to Red Hat Products that you purchase or otherwise acquire the right to access or use, including Subscriptions, Professional Services, Training Services, access to Red Hat Online Services and other Red Hat offerings. You may order Red Hat Products from a Business Partner using the Business Partner's ordering procedure.

1.2 Structure. The Agreement consists of three components: (a) General Terms; (b) the Product Appendices (which may include end user license agreements and supported life cycles) applicable to Your Products; and (c) if applicable, required terms included in the Business Partner order (e.g. Product quantities and period of performance). Certain terms are defined in the Definitions section at the end of the General Terms. Any agreement that you enter into with the Business Partner is solely between you and the Business Partner and will not be binding on Red Hat (except to the extent that your agreement with a Business Partner references this Agreement).

2. Term

2.1 Agreement Term. The Agreement begins on the Effective Date and will terminate at the expiration of the Business Partner order.

2.2 Services Term. Unless otherwise agreed in writing, a Service that you order will start at the earliest of (a) your first use of the Service, (b) the date you purchased the Service, or (c) the start date contained in the Business Partner order, and will end at the expiration of the Services Term unless sooner terminated as set forth below. Any Services that you order must be consumed during the applicable Services Term and any unused Services will expire.

3. Fees and Payment

3.1 Reserved.

3.2 Basis of Fees. Fees are determined by counting the Units associated with the applicable Red Hat Product as described in the Product Appendix and/or a Business Partner order. For example, Subscriptions may be priced based on the number of physical or virtual nodes. You agree to order and pay for the appropriate type and quantity of Red Hat Products based on the Units you use or deploy. If during the term of the Agreement, the actual number of Units you use or deploy exceeds the number of Units you have ordered and paid for, you will promptly report to Red Hat and Business Partner the number of additional Units used or deployed and the date(s) on which they were used or deployed. Business Partner will invoice you and you agree to pay for the additional Units. If you purchase Red Hat Products through a marketplace, you agree that information relating to your use of Red Hat Products may be shared with Red Hat Affiliates (including IBM) or the applicable Business Partner for billing and metering purposes. Notwithstanding the foregoing, nothing in this section prevents the Government from disputing any invoice in accordance with the Contract Disputes Act.

4. Termination

4.1 Termination. Termination shall be governed by FAR 52.212-4(l) Termination for the Government’s convenience or FAR 52.212-4(m) Termination for cause, as appropriate. Without prejudice to any other right or remedy of Red Hat and consistent with FAR 52.212-4(l) Termination for the Government’s convenience or FAR 52.212-4(m) Termination for cause, in the event of termination, Client will pay for all Services provided up to the effective date of termination.

4.2 Effect of Termination; Survival. The termination or suspension of an individual Business Partner order will not terminate or suspend any other Business Partner order or the remainder of the Agreement unless specified in the notice of termination or suspension. If the Agreement is terminated in whole, all outstanding Business Partner order(s) and Services will terminate. If this Agreement or any Business Partner order is terminated, you agree to pay for all Units that you used or deployed or that were provided by Red Hat up to the effective date of termination. Sections 1.2, 3, 4.2, 5.2, 5.3, 8 (to the extent set forth therein), 9,10 (to the extent set forth therein) and 11-14 will survive the termination of this Agreement.

These obligations will continue for a period of two (2) years following initial disclosure of the particular Confidential Information. A Recipient may disclose Confidential Information if it is required to do so by applicable law, regulation or court order but, where legally permissible and feasible, will provide advance notice to the Discloser to enable the Discloser to seek a protective order or other similar protection if feasible. Confidential Information may be subject to full or partial disclosure under the Freedom of Information Act, 5 U.S.C. 552.

You represent and warrant that your provision (and Red Hat’s use) of Client Information under this Agreement will not require any additional consents or licenses, will comply with applicable law, and will not violate any intellectual property, proprietary, privacy, or other right of any third party. As between Red Hat and you, subject to the rights granted in this Section, you retain all of your rights in and to Client Information. You acknowledge that to provide the Services, it may be necessary for Client Information to be transferred between Red Hat, its Affiliates, Business Partners and Suppliers, which may be located worldwide.

In the event of a change where Red Hat will act as a processor of personal data, you will notify Red Hat in advance in writing and the parties shall agree on the terms of a data processing addendum, which will amend this Agreement, as is reasonably required to comply with GDPR and similar data protection laws, if applicable.

9.3 Feedback. You may be asked to voluntarily provide Red Hat with Feedback in connection with Red Hat Products, but have no obligation to do so. If you choose to do so, Red Hat may use Feedback for any purpose, including incorporating the Feedback into, or using the Feedback to develop and improve Red Hat Products and other Red Hat offerings without attribution or compensation. Nothing will prohibit or restrict either party’s right to develop, use or market products or services similar to or competitive with the other party; provided, however, that neither party is relieved of its obligations under Section 8 of this Agreement.

10 Review. During the term of the Agreement and for one (1) year thereafter: (a) if Client’s security requirements are met, Red Hat or its designated agent may inspect Client’s facilities and records to verify Client’s compliance with this Agreement. Any such inspection will take place only

Red Hat will give Client written notice of any non-compliance, including the number of underreported Units of Software or Services (“Notice”); or (b) if Client security requirements are not met and upon Red Hat’s request, Client will run a self-assessment with tools provided by and at the direction of Red Hat (“Self-Assessment”) to verify Client’s compliance with this Agreement and the Business Partner order. Within thirty (30) days from Red Hat’s request, Client will finalize the Self-Assessment and provide Red Hat and Business Partner with the results in the form of a written report, including the number of underreported Units of Software or Services, certified by Client’s contracting officer or an authorized contracting officer’s technical representative (“Report”). In either event, after providing Notice or Report and receipt of an invoice, Client will make payment to Business Partner for the underreported Units of Software or Services.
